Trip Sports to offer LIVE VIDEO STREAMING at its events

Trip Sports' broadcast schedule will consist of 70 games, featuring 77 teams from 24 states.

WAPAKONETA, Ohio (Trip Sports.com) – Trip Sports Inc. has partnered with Stretch Internet to provide live video streaming of Trip Sports' 2008-09 basketball events. Fans of participating teams will now have the opportunity to watch their team's games live via the internet. All broadcasts will be accessible through www.tripsports.com on a pay-per-view basis. Stretch Internet, based in Mesa (AZ), will provide the video streaming and customer service to the end users.

Trip Sports' 2008-09 basketball events consist of the San Antonio Shootout (San Antonio, TX), Cruzin Classic (Fort Lauderdale, FL), Las Vegas Hoopla (Las Vegas, NV), Grand Canyon Classic (Phoenix, AZ), and the Surf City Classic (Orange County, CA).

Participating teams will consist of teams from the National Collegiate Athletic Association (NCAA) Division II and Division III, and the National Association of Intercollegiate Athletics (NAIA) Division I and Division II.

"Trip Sports is very excited to announce this new partnership with Stretch Internet. Most of our participating teams are traveling from a great distance to compete, which means the majority of fans and supporters are unable to attend.
